

## Request for Qualifications:

The Cleveland Green Building Coalition is developing new services within its Residential Consulting programs. GBC plans to foster the continuing education of a local service provider to provide services in energy efficiency and renewable energy, indoor air quality, water conservation, site design, green building materials and techniques, and home maintenance, for consumers in the Greater Cleveland area.

If you are interested in providing consulting work for the GBC, please provide a letter of interest and resume, CV or similar document that includes:

1. Contact Information
2. Licensure
3. Certifications
4. Copy of current liability insurance
5. Training and Education
6. Work History
7. Salary Requirements
8. Experience with green building techniques or technologies
9. Three references for whom you have contracted within the last year
10. Any other information that you feel may be pertinent

Submit application materials by September 23, 2005 via email to **[elaine@clevelandgbc.org](mailto:elaine@clevelandgbc.org)** or snail mail to:

Cleveland Green Building Coalition  
Attn: RFQ for Residential Contractor  
3500 Lorain Avenue, Suite 200  
Cleveland, OH 44113

Should you have questions about this opportunity, please submit them electronically to the email address above.
